

FWFC

(Model 3308B)

FLOOR WALL / FLOOR CEILING ROTATING TUBE STAND

The Universal FWFC rotating tube stand offers the versatility needed to facilitate a wide range of general purpose radiographic procedures. The sturdy tube mount assembly ensures stability and precision alignment.

Longitudinal lock, roll lock and vertical lock release button with positive indexing at 90 degrees for fast, accurate cross table positioning.

Key Features

- Pressure activated column rotation for fast, accurate positioning
- Electric vertical and longitudinal locks provide maximum holding power
- 180° column rotation and centering detent allow for rapid patient positioning
- 9in (23cm) of transverse travel for total table top accessibility
