### **Shimadzu Medical Systems receives highest rating in MD Buyline Reports**

**Torrance, CA** — October 2, 2017 - Shimadzu Medical Systems USA, a subsidiary of Shimadzu Corporation, is proud to announce the latest MD Buyline satisfaction rating.

Healthcare research firm MD Buyline released its Q3 2017 *User Satisfaction Rating* for Q3 2017 to its vendor subscribers. This exclusive survey is based on nationwide, direct-user feedback from hundreds of healthcare providers who rely on MD Buyline's healthcare market research to guide their critical decision-making in budgeting, planning, selecting and acquiring medical equipment and technology.

Suppliers are rated on a scale from 1 to 10 in six categories: 1) system performance, 2) system reliability, 3) installation and implementation, 4) applications training, 5) service response time and 6) service repair quality. Based solely on hospital user feedback, the *User Satisfaction Ratings* is an unvarnished study of user opinion that helps MD Buyline's Research and Analysis team to map trending in both end-user feedback and ratings of suppliers and technologies.

Shimadzu Medical Systems USA has received **highest ratings in their class for overall customer satisfaction of 9.2 in Radiography and Fluoroscopy for Q3 2017.**

Shimadzu's Radiography and Fluoroscopy product line include the Fluorospeed and Sonialvision G4. Shimadzu Medical Systems can offer multiple DR solutions based on your preference.
